

Wayne Township Food Pantry Double Hero Blood and Food Drive

BECAUSE OF YOU, LIFE DOESN'T STOP!
#VITALTOLIFE

The need for food is on the rise and the need for blood is always on the rise during the summer months. Food and blood are very essential and both **Vitalant** and the **Wayne Township Food Pantry** are here to serve the community's vital needs. Join us for a Double Hero Drive this summer!

For each double hero donor who presents for the blood drive, Vitalant will make a \$20 monetary contribution to the **Wayne Township Food Pantry** - amplifying the pantry's impact while saving lives. All food collected will go to the **Wayne Township Food Pantry** to support the community.

Donate and order this spooktacular T-shirt via the Donor Rewards program in time for Halloween. While supplies last. Donor Rewards program opt-in required.*
